**01/01/06 TT No.150: *Barry Neighbour* - Fleet Town (Ryman League Division 1) in the Aldershot Senior Cup**

Friday 30th December 2005; Fleet Town 0 Sandhurst Town 1; Aldershot Senior Cup; 3\* Rating; Crowd: about 70; No programme issued.

Combined Counties League side Sandhurst pulled off a cup upset at Isthmian league side Fleet. A tight first half saw the home side twice put the ball in the net only to fall foul of the linesman's flag for offside. The all-important goal came after 38 minutes when an error in the Fleet defence let in Sandhurst ace marksman Mark Anderson with a clear shot at goal and the striker who has recorded over 100 goals for Sandhurst in the past 3 years made no mistake. Fleet tried to get back into the game after the break and had another goal ruled out for an offside but Sandhurst held firm. This game was in complete contrast to the pre-season friendly here back in July when they collapsed in the last 15 minutes to concede 3 goals. Despite the referee finding an extras 10 minutes (??), it was Sandhurst who went through to the next round.
