03/09/05 TT No.34: *Michael Greaves* - Ellesmere Rangers (WML1)

On August 20th I saw Ellesmere Rangers beat Riverway 1-0 in West Midlands League Division 1. Admission £2, excellent programme 50p. The Beech Grove playing fields are difficult to find being tucked away down a narrow entrance off Beech Drive.

Once there you find 3 pitches with the main one railed off with no cover. The club are in the process of erecting floodlights expecting them to be ready in October. There is no clubhouse but there is a refreshment room. A friendly club who I expect to see progress in the next few seasons. Ellesmere is a lovely town with plenty of old-fashioned shops and the mere is worth a visit. There is a bus service from Shrewsbury about every one and a half hours. Journey time 40 minutes.
