02/10/05 TT No.60: *Andy Molden* - Corfe Mullen United (Dorset County League)

Corfe Mullen Utd (0) 4 Dorchester Utd (1) 2; Dorset Senior Cup; Att. 52 (headcount); Club issued 1st ever proggie (club only reformed in 2000), £1 with admission, 28 pages, with some colour.

Many well-known travellers in attendance.

80 or so progs were printed it looked like it was a sell-out but if club gets requests for copies they will run more off, though as they progressed in the cup, I'm sure if they have another home tie they will issue again, most helpful people.

Ground on A31 trunk road just passed Coventry Arms pub (well worth a visit) - if heading east to west. Railed off pitch with dug-outs and advertising boards, only third season on ground. Well stocked tea bar. Club also has a website which is kept up to date. If league form carries on as it is going at the moment, they may well be in Dorset Premier League next season.
