**TT No.13: *Bob Davies*** - Monday 18th August 2008; Herts Senior County League, Division One; **Hitchin Town Arena** v Letchworth Garden City Eagles; Res: 6-0; Att: 25 (est.); Admission/Prog: No; FGIF Rating: 3\*.

Two new teams in the HSCL this season met at an old but revamped venue of Norton Road, Baldock, the former home of Baldock Town FC. The ground has been refurbished with a 3G-astroturf pitch surrounded by metal fencing and various gates. The club room and dressing rooms have also been extensively reworked and the complex is now known as The Arena. The complex offers training facilities to all of Hitchin Town's sides and is also available for private hire. The inside of the ground surrounding the pitch has seen very little change with the seating areas and terrace remaining virtually unchanged.

On the game itself that was a very one-sided affair with Ryan Jones scoring four goals in the first half and Turner making in 5-0 at half time. The home side took their foot off the gas in the second period with only one effort finding the net and another goal for Ryan Jones.
