

TT No.46: Bob Davies - Sat 3rd October 2009; **Binfield FC** v Witney United, Hellenic League Premier Division; Result: 2-0; Attendance: 101; Admission: £5 including 36pp programme; Match rating: ###.

I've been trying to get a visit to Binfield FC for some time now. With the ground being in close proximity to Bracknell Ice Rink the chance of watching my team Peterborough Phantoms play at Bracknell as well had unfortunately never materialised. So, when Phantoms visited nearby Slough (a later face-off) a quick check revealed that I could do both.

The club has a friendly atmosphere and are making great strides forward both on and off the pitch. Last season saw the erection of floodlights at the ground and prior to today's match was the opening of a brand new 100 plus seater stand. Binfield gained promotion the Hellenic Premier Division last season after winning Division One East, finishing 11 points ahead of runners-up Ascot United. The season has started well for "The Moles" and they currently occupy a top four placing in their new Division. The game was well contested with the home side scoring a goal in each half to claim a 2-0 win.

Directions to Binfield FC taken off their website - Binfield FC, Hill Farm Lane, Binfield RG42 5NR. The post code doesn't take your Sat Nav right to the spot but you'll see the floodlights. The entrance to Binfield FC is in Hill Farm Lane.

Drive up the hill past the Shell garage on your right and at the traffic lights by the Travel Lodge turn LEFT. Follow the road for just over 1 mile, over two roundabouts, until you reach a "T" junction in front of All Saints Church.
