TT No. 163: *Bob Davies* - Sun 23rd January 2011; **(Baldock) Cannon (2) 2 v PJ Hitchin (2) 6**; Hitchin Sunday League - Premier Division; Venue: Bakers Close, Baldock, Herts; Attendance: 25. Attendance: 25.

Bottom v top clash in this division and it took a second half revival for the unbeaten League leaders to secure the points.

Cannon took the lead twice in the first half but eventually PJ shook off their bout of complacency and began to play as they can do in this division. Four second half goals for the visitors as Cannon couldn't maintain the momentum of the first half.

Bakers Close was the home of Baldock Town until 1981 when they were in the South Midlands League. The new Baldock Town club, formed in 2001, also had at least a season here playing in the North Herts League.
