**TT No.142: *Bob Davies*** - St 14th January 2011; **Letchworth Garden City Eagles 3 v 0 Mill End Sports**; Herts Senior County League Premier Division; Admission: £2, Programme: £1.

Not a bad game on a sticky pitch. Eagles do not look the side of the past couple of seasons but produced a comfortable result with two second half goals to add to the one before half time. Ground wise there is now a brick covered standing area in front of the main building and planning permission is being pursued to erect floodlights. The post and rail around the ground has been filled in with plastic netting. This gives the ground a much more impressive look for this level.
