TT No. 131: Gary Spooner - Sat 30th March 2013; **Cromer Town** v Reepham Town; Anglian Combination League Prem; Result: 3-1; FGIF Match Rating: 5*.

Had a fantastic day out at Cromer Town yesterday where the fate of Cabbell Park depends on King Olav of Norway, Lord Harewood and Leeds United FC. The attached page (see link below) from the excellent Cromer Town programme reveals all!

In addition to the programme a metal badge was also available. Pre match entertainment came in the form of a dog chasing a pheasant. Weather on the day ranged from bright sunshine to show.

The game was very entertaining with one penalty scored, one penalty saved and the home manager sent from the dugout.

A very friendly welcome at a superb venue. A visit is highly recommended.
